

MSU CYCLIST WINS THREE TEXAS CHAMPIONSHIPS

Midwestern State University cyclist Sheri Jordan won her third Texas USCF state title of the year this past Sunday at the skill-based state championship road race in Copperas Cove, Texas.

While Jordan technically won the Women's Category 3 race on a rainy course, that race was combined with the Category 1-2 women's race. Jordan was in a two-rider breakaway and won the sprint at the end of the race.

The victory comes one week after Jordan won the state title for women Under 23 in a separate state championship road race at Lake Bryan, Texas.

Earlier this year, Jordan won the Category 3 women's state criterium title in Fort Worth. Her consistent, strong performance also has won her the season-long TXBRA title for Category 3 women.

Jordan joined the MSU cycling team after competing as a soccer player on the high school, club and collegiate levels.
